

Workshop on

Creating Rubrics

in English

2016
9/13 (Tue)

13:30 ~ 16:30

Hokkaido University, Institute for the Advancement of Higher Education
S Building, lecture room S5

- Do you put a huge amount of time in grading reports?
- Do you grade presentations with a clear view on a scale?
- When there is an inquiry about the grading from students, can you explain it with confidence?

In this workshop learn the basic knowledge of the rubric evaluation.
Let's create rubric evaluation that can be used in your own class!
